

ST. ROSE OF LIMA -JAGUAR

Dear Parents:

The coaching staff thanks you for allowing your child _____
of class _____ to try out for the _____ team.

There was great interest this year with _____students trying out. Unfortunately, we could only select _____ players. As you could well understand, that made selection very difficult. In order to make it as fair as possible, a point system was used to evaluate each player on the basic skills of the game as well as attitude, enthusiasm and coachability. Out of a possible _____ points, the students who scored _____ points or higher were selected for the team. Your child scored _____ points.

We hope this does not discourage your child from trying out for future teams. We feel the skill(s) needed to be worked on are as follows:

We also suggest that your child join or continue playing in one of the recreational leagues throughout the various towns to gain further experience.

If you have any questions, please feel free to contact us.

Sincerely,

The Coaching Staff
