

St. Rose of Lima Athletic Association Team Parent's Responsibilities

The Team Parent of a St. Rose of Lima Athletic Team is expected to do the following:

- 1) Maintain communication between the coaches and the parents.
- 2) Ensure all parents have a copy of the team's roster, with phone numbers.
- 3) Make necessary telephone calls to all parents regarding changes in practice or game schedules, or to communicate other important information. (You may want to obtain a copy of the tracking sheet from the coach to assist in tracking calls and other information.)
- 4) Coordinate the schedule of parent assignments regarding either Concessions (indoor sports) or Field Maintenance (outdoor sports). Refer to the document entitled "Parent Assignments - Concessions or Field Maintenance" for a detailed description of your responsibilities in this regard. This document can be obtained either at the sports section of the St. Rose of Lima website at (www.stroseoflima.com) or from the head coach. For concession assignments, you may want to encourage parents to switch with a parent from a different age group so they can watch their own child's game in exchange for working a game for the different age group.
- 5) For basketball, help obtain volunteers for keeping the scorebook and clock at home games.
- 6) Assist the coaches in other capacities, as needed.
- 7) Provide helpful feedback to the Coaches regarding communication between the coaches and the team's parents.
